Small Grants Policy

1. Introduction

For each financial year, Roade Parish Council, mindful of its responsibilities in the spending and management of public money, allocates a specific amount of money to be made available as grants or donations to local organisations.

Grants and donations will be awarded for the benefit of the community of Roade by supporting organisations and projects which help to improve safety, recreation, education, community pride, sports, art & culture or improving the long-term wellbeing of residents.

All applications will be determined by the Parish Council at Full Parish Council Meeting and will be assessed on its own merits.

Applications may be submitted for amounts up to £1000.00

2. The following criteria must be followed:

- The organisation or project must bring a direct benefit to the residents of Roade. All applications must clearly demonstrate how this will be achieved.
- The organisation must be either non-profit, charitable, voluntary or community.
- Grants will only be considered for:
 - Capital cost of new or improved facilities or equipment
 - Providing a public service
 - Initial funding for new activities
- **An organisation should have a bank account in its own name.**
- **Only one grant may be made in each financial year to each organisation.**
- Applications from health, education or social services will be considered where there are benefits to the wider community and the project is in addition to statutory services.
- Grants will only be awarded for forthcoming or ongoing projects – not retrospectively.
- Organisations seeking funds for buildings must demonstrate a reasonable security of tenure in the relevant property.
- The administration of and accounting for any grant shall be the responsibility of the recipient. All awards must be properly accounted for and evidence of expenditure should be supplied to the Council as requested. If the Parish Council is not satisfied with the arrangements, they reserve the right to request a refund of the monies awarded.
- Ongoing commitments to award grants or subsidies in future years will not be made. A fresh application will be required each year.
- Any grant must only be used for the purpose for which it was awarded, unless the written approval of the Council has been obtained for a change in use of the grant monies, and that any unspent portion of the grant must be returned to the Council within 2 months of the date the approval of change of use was given.

- The group or organisation receiving the grant will acknowledge the contribution from the Parish Council in any publicity material, website or press release.
- The Council may make the award of any grant as it considers appropriate in the event of any unforeseen urgent event.
- The Council reserves the right to refuse any grant applications which it considers to be inappropriate or against the objectives of the Council.
- In the event of the Parish Council receiving more requests for funding, in any one financial year, than there are budgeted resources available, it will fund only those to which it assigns the highest priority.
- Donations to Registered Charities in response to a general fundraising appeal may be considered if there is a benefit to the residents of Roade.
- Nothing contained herein shall prevent the Council from exercising, at any time, its existing duty or power in respect of providing financial assistance or grants to local or national organisations under the provisions of the Local Government Act 1972, Section 137 or the Localism Act 2011.

3. Grants WILL NOT be awarded for:

- Private organisations operated as a business to make a profit or surplus.
- Costs of routine maintenance and repair of equipment (unless in exceptional circumstances).
- Salary or routine administration costs.
- Loan repayments.
- Individuals (except where an organisation provides help for needy individuals belonging to or using the organisation).
- Hospitality.
- Projects with party political links.
- Projects which discriminate on the grounds of age, gender, sexual orientation, race or religion.
- Services which should be provided by statutory funding.
- Buildings that are uninsured.
- Organisations with substantial unallocated resources.
- Rent or hire charges

4. Process

- Application forms can be obtained from the Parish Clerk. Applicants must complete the form in full and provide any additional information to support its application.
- Grant applications will only be considered if submitted in writing, with all supporting documentation, including a copy of the organisation's latest set of accounts and the organisation's constitution or terms of reference.
- Applications must be emailed to the clerk by the last Friday of the month to be considered at the next full council meeting which falls on the second Monday of the month.
- Organisations will be notified via email the week following the council meeting to advise whether the request has been successful.
- Payments will be made by bank transfer following the meeting where the decision was made.

5. Following receipt of your grant

Adopted by the Council on 14th September 2020
